[Baja, Mexico: Land of adventure and beauty.](#) [3]

Located 356 miles northeast of Cabo San Lucas, Loreto was founded in 1697 as the original capital of the Californias. A quaint fishing village, today Loreto is celebrated as an enchanting seaside haven with friendly townspeople, Old World architecture and an enriching culture. From water sports and deep-sea fishing to cycling and swimming, Loreto is an adventure-lover?s paradise. The island group located a few miles off-shore is known for secluded coves, crystal waters and dazzling sea life and frames the Bay of Loreto, Mexico?s largest natural marine park.
